To Marga Van Amersfoort

Our ref. : LDA/MBA/HPE/1406/17
Subject : your email dated September 5, 2016

Dear Ms. Van Amersfoort,

Following your email dated September 5, 2016 relating to a breast implant, we, as Notified Body of the manufacturer "LABORATOIRES ARION" confirm that the devices "Breast implants hydrogel-CMC filled" manufactured by this company are covered by certificates issued by LNE/G-MED according to Directive 93/42/EC.

We also have verified the contents of the Instructions for use and Consent form of the device (NT36 and NT37, respectively) and we confirm that these documents contain information concerning interference of methylene blue with serotonin reuptake inhibitors.

Yours Sincerely,

Laurent DAHMANI
Certification Director
